SECTION II - PROJECT DESCRIPTION

4) Please describe the purpose and intent of the grant.

The Friends of the Cypress Park Branch Library (FoCPBL) is a recently formed non-profit with the mission of raising funds for and promoting the services of the branch library. With the reopening of the Cypress Park Branch Library and with students back in school, we are requesting \$5,000.00 in order to purchase books for the library and for student give-aways, and to reach out to the community to inform them of the library's many services.

5) How will this grant be used to primarily support or serve a public purpose and benefit the public at-large. (Grants cannot be used as rewards or prizes for individuals)

The books purchased will be placed into general circulation, though they will live at the Cypress Park Branch. The branch librarians will select books with English, Spanish and bilingual texts. We will purchase high-demand books to give away to students and families at community and library events. Our outreach efforts will help the library make its services known to residents of Cypress Park.
