

BOWTIE COMMUNITY WELCOME DAY

PLEASE REGISTER
HERE:

We invite you to learn about and see the progress on
the **Bowtie Wetland Demonstration!**

The climate resilience project, which will open to the public in 2027, includes public access, habitat restoration, and stormwater management.

1:00 PM - 4:00 PM

Saturday, March 7, 2026

Bowtie Wetland Demonstration

2780 Casitas Avenue, Los Angeles, CA 90039

Join The Nature Conservancy and partners for free food (while supplies last), site tours, native plant workshops, exhibits, and additional family-friendly activities. *Spanish interpretation will be available.*

Due to limited parking, carpool and alternate forms of transportation are encouraged. For more information on the event, please contact Irene Takako Farr at irene@betterworldgroup.com or (818) 563-9111.
