

# ALL FIREWORKS ARE ILLEGAL IN LOS ANGELES

They injure. They kill. They start fires.

There is no such thing as “safe” personal fireworks in the City of Los Angeles.

- ✘ Sparklers? *Illegal.*
- ✘ Firecrackers? *Illegal.*
- ✘ Bottle rockets? *Illegal.*
- ✘ Aerial fireworks? *Illegal.*
- ✘ “Safe and sane” fireworks? *Illegal.*

Using fireworks can cost you more than a fine.

**It can cost a hand. A home. A life.**

**DON'T LIGHT FIREWORKS.  
DON'T BE NEXT.**

Celebrate at a professional fireworks show or drone display.
