LA RIVER POP-UP

Celebrating the LA River Fish Habitat Pilot Project, Reach 8A

Join us for a celebration of the LA River with storytelling, music, art, and film. Local musicians, artists, and creatives will bring the river to life while speakers share stories about how the river is changing. Topics include biodiversity, the endangered Southern Steelhead, and climate action.

Event hosts include: City of Los Angeles Bureau of Engineering, McMillen, CalTrout, Santa Monica Mountains (SAMO) Fund, LADWP, LA Mayor's Office, Geosyntec Reach 8A team, and many more!

Thursday, November 12, 2026
